SIT DOWN A MINUTE AND THINK.

Size Up Your Condition. Look at Facts Squarely.

It Pay to Have Good Health

Most Illnesses Are Prevented by Good Supply of Rich, Red Blood Take Pepto-Mangan, the Red Blood Builder.

Either you are in good health or you are not. There's no half way. You may think nothing of being a little run down. It may not worry you if you look pale. You may think you'll be all right tomorrow or next day. But will you?

Certain it is when you do not feel just right, you are not right. There is probably something the matter with your blood. And while you can't get around and do your work you are leaving yourself open to any of the diseases that are always waiting to take possession of run down people.

When you are pale and easily tired, when you cannot enjoy your meals, when you lose enthusiasm, your blood needs attention.

Take Pepto-Mangan for awhile. It is a great tonic. It will build up your resistance to disease, and you will soon feel stronger. The little red corpuscles are fighters. They battle with disease germs and win out when there are enough of them. Keep your system well supplied. Then you will keep well and you will enjoy life.

But be certain you get the genuine Pepto-Magen. Ask for it by full name—"Gude's Pepto-Magen." Some people take it in tablet form. It is so convenient. The liquid and the tablets have the same medicinal value. Look for the name "Gude's" on the package.

I READ a story. ABOUT A fellow. WHO SLIPPED. ON AN icy hill. AND STARTED to slide. AND TRIPPED up. A FAT lady. WHO SAT on him. AND RODE down hill. TO THE foot. AND THEN he wheezed. "MADAM, YOU'LL HAVE TO GET off here. THIS IS as far. AS I go." SO WHEN a new clerk. WHO DIDN'T know. MY REGULAR smoke. TRIED TO sell me.

SOME OTHER kind. OF CIGARETTE. I REMEMBERED that yarn. AND TOLD the clerk. JUST WHERE to get off. OTHER KINDS will burn. AND GIVE off smoke. I'LL ADMIT that much. BUT THAT'S as far. AS I'LL go. THERE'S ONLY one kind. OF CIGARETTE. THAT CAN, and will, and does. REALLY "SATISFY."

OTHER cigarettes may please your taste for a time—but that's as far as they go. With finer tobaccos—both Turkish and Domestic—and with finer blending—Chesterfields give you the fullest possible cigarette enjoyment. They always satisfy. It's the blend—and it can't be copied.

CARDUI HELPED REGAIN STRENGTH

Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.

Paint Rock, Ala.—Mrs. C. M. Stegall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak, I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried every thing I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her.

"I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since. I sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."

For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments.

If you suffer as these women did, take Cardui. It may help you, too.
